

# the Kindness Club

Welcome! We have a special invitation for you!

The Kindness Club would like to invite you to join our program as a volunteer. You can help us teach students how they can spread more kindness and create more happiness on campus. How? By helping students with simple projects, like writing thank you notes, or creating posters to inspire kind acts.

Please join us. You can make a difference by helping our school provide students new opportunities to get involved. Students who get involved in school build stronger relationships and learn new skills that will last a lifetime.
